Recycling During the Holidays

Holiday Service Schedule

Collection service is not provided on Thanksgiving Day, Christmas Day, and New Year's Day.

If your regular service day falls on or after these holidays, your scheduled collection will be delayed one day that week.

Customers who normally receive service on Fridays will receive service on Saturday instead.

Week of Thanksgiving

NOV	
Thursday 25 *Thanksgiving* No service	Friday 26 Thursday customers serviced

Christmas Tree Recycling

Unflocked (without artificial snow or powder), undecorated Christmas trees up to 6 feet tall can be placed beside your cart at no cost during the first two weeks of January. Taller trees should be cut down to 4 foot segments.

Put out trees next to your cart on your regular service day during the weeks of January 4 and 11, 2027.

Outside of the first two weeks of January, you can cut trees to 3 foot segments and put fully inside your yard waste cart.

Gift Cleanup

Recycle wrapping paper unless it has glitter or foil. Reuse bows, ribbons, gift bags and tissue paper, or place in garbage.

Holiday Lights Recycling

Do you have a pile of burned-out holiday lights? Are you replacing your old holiday lights with energy-efficient LEDs? Don't put the old holiday lights in the garbage, recycle them. A group of retailers and organizations offer free holiday lights recycling programs. These programs send the lights to processors that recycle the copper wire inside.

Bulky Item Collection

Curbside Collection

Donate or sell unwanted items. WM can pick up bulky items from the curb for a fee (disposed as trash).

To schedule a curbside pickup call WM at **425-587-0040**.

Furniture + Mattresses

Broken and unusable furniture must be thrown away. Furniture left on side of road is illegal dumping. Gently used furniture may be reused, or donated, options include posting on Facebook Buy Nothing Groups, Nextdoor, or donating to Goodwill.

Mattresses are accepted at our city Recycling Collection Events for a charge.

Bulky items can be disposed of as garbage at the Houghton Transfer Station for a fee. See **kingcounty.gov/solidwaste** for more details.

Customers receive one free bulky item collection per residence per year.

Item	Cost
Sofa/Chair/Mattress/ Box Spring/Appliance	$39.28
Fridge/Freezer	$52.37
Miscellaneous *(per cubic yard)*	$209.53

Transfer Stations

Recycle appliances and scrap metal that won't fit in your cart (like metal furniture) at:

- Factoria Transfer Station
- Shoreline Transfer Station

Fee applies for refrigerant appliances. For more info, see **kingcounty.gov/solidwaste**.

Donate working appliances that are less than ten years old.

Find more options at kingcounty.gov/whatdoidowith.

Statewide Paint Recycling

This statewide program allows the public to drop off unwanted paint for free recycling. Drop-off locations are located around the state and accept latex and oil-based paint for recycling. For locations and details of accepted items visit **paintcare.org/WA** .

Latex Paint Disposal

Stir kitty litter into latex paint to dry it out, then throw it away. Learn about proper paint cleanup at **kirklandwa.gov/paint**.

Wastemobile Resource

Wastemobile is King County's traveling household hazardous waste collection service, bringing free, convenient disposal opportunities directly to communities throughout the county. Residents can safely dispose of common household hazardous wastes such as batteries, pesticides, motor oil, paint products, and other approved materials at seasonal collection events. There is no fee to use the service. To ensure a safe and efficient experience, the Wastemobile operates as a drive-thru event.

Customers should remain in their vehicles and follow directions from Wastemobile staff. Hazardous waste items should be placed in the trunk, truck bed, or trailer and packed securely to prevent tipping or leaks during transport.

For a complete list of accepted materials and upcoming event information, visit **kingcounty.gov/wastemobile**.
