RECYCLING TIPS

No plastic bags, garbage bags or "recycling" bags allowed.

Paper cartons (milk or juice) are not recyclable and should be placed in the garbage.

Empty and rinse out all food residue. Labels do not need to be removed.

Ignore the number on plastics—Look at the SHAPE.

Recycle plastic only if it is a bottle, jug or tub.

Extra recycling: If you often generate extra recycle, please call WM to increase your cart to the next size.

Your materials are being recycled! All the recyclable items collected will be made into something new.

Recycling All Stars — Win a month of free service!

Has your recycling cart been tagged for contamination? WM will award one month of free service to 5 households per year that demonstrate improved recycling by keeping materials clean, loose and only recycling items accepted in Auburn's program.

Have you never received a contamination Oops Tag?

Households can still qualify for one month of free service by making an online pledge and demonstrating consistent clean recycling. Take the pledge at: wmnorthwest.com/auburn

Go paperless and save \$5 per year on your bill.
