- Semi truck or oversized tires: \$17/tire without rim, \$27/tire with rim

Automotive batteries are accepted for a small fee:

- \$4/battery

Household Waste

- All loads will be measured and charged by the cubic yard (cy)
- A cubic yard is calculated by measuring the load in feet and multiplying the length x width x height then dividing by 27 (cubic feet in a cubic yard)

RECYCLING

Household recycling is accepted at no charge!

- Glass bottles only (no dishes or window glass)
- Scrap metal
- Motor oil (limited to 5 gallons per person; in one-gallon containers with screw tops)
- Recyclables all in one container: scrap paper, newspaper, cardboard, magazines, plastic containers (screw top only), tin cans and aluminum

Follow these three simple rules when recycling:

1

Recycle all empty plastic bottles, cans and paper.

2

Keep foods and liquids out of the recycling.

3

Keep plastic bags out of the recycling bin. No bagged recyclables. Take plastic bags back to your local grocer.
