

WASTE MANAGEMENT
1525 B Street
Forest Grove, Oregon 97116

July 1, 2019

Welcome to the Waste Management Family!

Waste Management is the new service provider for Aloha Garbage customers. This means you are now receiving recycling and garbage services from one of the leading environmental solutions companies in North America.

We are pleased to serve you, and we look forward to a smooth transition. No service or schedule changes are planned at this time, and no action is required on your part. Just watch for information about what it means to be part of the WM Family.

What can I recycle? There are no changes at this time to what you can recycle in your curbside cart. To see what's acceptable in your recycling cart, go to the webpage designed for your community:

- If you live in Beaverton, visit us wmnorthwest.com/beaverton.
- If you live in Hillsboro, visit us at wmnorthwest.com/hillsboro.
- If you live in unincorporated Washington County, visit us at wmnorthwest.com/washingtoncounty.

Paperless Billing and Automatic Payments: We encourage customers to choose paperless billing and automatic payments. You will have the opportunity to enroll once you receive your first invoice from Waste Management.

From all of us at Waste Management, we look forward to serving you!

Most sincerely,

A handwritten signature in black ink that reads "Kirk Duncan".

Kirk Duncan, Senior District Manager
Waste Management
