

RECYCLE RIGHT AT WORK!

WM can help you improve your recycling and compost!

Join your neighboring Seattle businesses in creating a more sustainable community!

✉ recyclenw@wm.com

Wonder what happens when you throw something “away”?

Confused about which bins to throw your waste in?

Want to learn more about how you can reduce your waste and be a more sustainable consumer?

WM's Education and Outreach team works with businesses to schedule a recycling industry specialist to dive deep on recycling and composting.

We offer:

- Workshops and Lunch 'n Learns
- Waste audits
- Free signs, bins, and stickers
