All Wenatchee residents have the option to choose from three garbage cart sizes. All sizes of garbage carts are serviced weekly and rates include recycling service.

### 35-GALLON

### 64-GALLON

### 96-GALLON

Current rates are posted on [wmnorthwest.com/wenatchee](http://wmnorthwest.com/wenatchee)

#### Why is my cart size so important?

All garbage must fit in your cart with the lid closed. Extra charges will apply for material left outside or on top of your cart.

#### Tips for Extra Garbage

- Garbage:** No loose garbage at the curb. Use a 32-gallon garbage bag tied at the top.
- Bulky Waste:** Bulky items such as mattresses and furniture can be picked up by special arrangement. Additional charges apply. **CALL US**
- Frequent Extras:** It may be less expensive to move up to the next larger garbage cart size or request an additional cart. Additional 96-gallon cart.

#### Bag Your Garbage

- Bag all garbage and place it in your grey garbage cart.
- Double bag pet waste, pet litter, packing peanuts, vacuum dust, saw dust and cold ashes.

#### ¿Por qué es tan importante el tamaño de mi bote?

Toda la basura debe caber en tu bote con la tapa cerrada. Se aplicarán cargos adicionales por el material dejado afuera o encima de tu bote.

#### Consejos para basura extra

- Basura:** No loose basura suelta en la acera. Use una bolsa de basura de 32 galones atada.
- Artículos de mayor tamaño:** Los artículos mayor tamaño, como colchones y muebles, se pueden recoger con una cita especial. Se aplican cargos adicionales. **LLÁMANOS**
- Extras frecuentes:** Puede ser menos costoso pasar al siguiente tamaño de bote de basura más grande o solicitar un bote adicional. Botes adicionales de 96 galones.

#### Pon tu basura en una bolsa

- Ponga toda la basura en una bolsa y colóquela en tu bote de basura gris.
- Bolsa doble los desechos de mascotas, arena para mascotas, cacahuets de empaque, polvo de aspiradora, aserrín y cenizas frías.
