RECYCLING TIPS

- Blue 96-gal recycling carts are emptied every-other-week (see enclosed calendar).
- All recycling must fit in your cart with the lid closed. For occasional extra recycling, use a cardboard box or personal can and label it "Recycle". No plastic bags accepted. Additional recycle carts are also available for an extra charge.
- Help ensure recyclables have a second life by ONLY putting recyclables pictured on this guide in your recycle cart. Non-recyclables items in your cart may be subject to a contamination charge.
- Due to evolving markets, and processing standards, Leavenworth's recycling program may be updated in between yearly guides. For the most up to date information, please visit our local website at wmnorthwest.com/leavenworth.
