Garbage Guidelines

- Please bag all garbage.
- Double bag pet waste, pet litter, packing pellets, vacuum dust, sawdust, and cold ashes.

Extra Garbage:

Garbage charges are based on container size. There is a charge for extra garbage that doesn't fit in your container with the lid closed.

THINK OUTSIDE THE CART

REDUCE AND REUSE BEFORE YOU RECYCLE. Waste prevention is our biggest opportunity to reduce the consumption of natural resources.

PREVENT FOOD WASTE – BUY ONLY WHAT YOU NEED

When grocery shopping, be thoughtful. Make a list and buy only what you need to minimize any food waste.

Visit wmnorthwest.com for more food waste reduction tips.

BUY NOTHING

Instead of buying items you will use infrequently, consider borrowing or renting. Borrow from a neighbor or social media site.

SHARE, SWAP OR SELL

Sell items you no longer want and find bargains at consignment shops, garage sales, thrift stores, online exchanges and auctions.

CHOOSE TO REUSE

Use reusable mugs, water bottles, utensils and bags. Store these in your car or at your desk so you will always be prepared.

Before you buy, use or discard an item, ask yourself:

REDUCE: Can I get this item used or with less packaging?

REUSE: Can I, or someone else, use this item again?

RECYCLE: Can I recycle this item after I use it?

BUY RECYCLED: Can I buy this item with recycled content?

Inclement Weather Guide

If weather conditions prevent safe collection, up to twice as much material will be collected at no extra charge on your next regular collection day for each container not emptied. No credit for collection delayed due to weather.
