Free Resources + Assistance

We offer personalized resources and assistance. Including: recycling assessments, posters, waste sorting guides, service level advice, and more.

Contact us at **425-587-3812** or email **recycle@kirklandwa.gov** for more information. **Request a virtual consultation at recyclenw@wm.com**.

Hard to Recycle Items*

To reduce waste going to landfill some items that you would place in the garbage can be recycled such as plastic bags and films, and foam. These items do not go in your recycling cart, to learn how to recycle them visit **kingcounty.gov/whatdoidowith** or **kirklandwa.gov/beyondthecart**.

Organics Management Law Requirement

By January 1, 2026, all for-profit, non-profit commercial, and public entities in Kirkland generating at least one 96-gallon cart worth of compostable materials per week must separate compostable materials and enroll in a compost collection service.

To find out more about the Organics Management Law and whether your need to comply please contact us at **recycle@kirklandwa.gov** or **425-587-3812**
Visit **ecology.wa.gov/2022-organics-management-law** or scan the QR code for more details on the OML from Department of Ecology.

Unlimited Recycling

Businesses and Multifamily Properties have unlimited recycling included in the cost of their garbage service. As needed, businesses and multifamily properties can increase the size of their dumpsters at no extra cost.

MULTIFAMILY PROPERTIES

WM Think Green Move In/Out Crew

A convenient on-call solution for property managers to clean up materials left behind by tenants during move in and move out. Property managers are welcome to call to schedule a pick-up. This new program also includes mattress recycling! Let WM lend a hand in the moving process.

WM Textile Recycling

wm | TEXTILE RECYCLING

This program offers large multifamily properties on-site textile collection. The containers can be located conveniently inside a common indoor space where residents can drop off textiles for donation and recycling. Property managers simply work with WM to coordinate a collection schedule and place carts outside on their pick-up day.
Email **recyclenw@wm.com** to sign up!

Bulky Waste Collection

WM provides on-call bulky waste collection for multifamily properties for a fee. Property managers can simply contact WM customer service to schedule a bulky item pick up. Place your bulky item at your regular garbage collection location within 24-hours prior to collection.

To schedule, call
425-587-0040 or email
pnwrsservices@wm.com

WHAT DO I DO WITH...?

Hazardous Waste

Scan for more info

If the label includes words such as danger, poison, caution, or toxic, it's likely hazardous waste and needs special disposal at drop-off locations.

Your business may be eligible for no-fee hazardous waste disposal up to four times a year. To qualify, your business must be a Small Quantity Generator, meaning you produce and store only a small quantity of hazardous material. Call **206-296-4692** or visit **kingcountyhazwastewa.gov**.

Fluorescent Bulbs/Tubes + HIDs

Recycle up to 10 mercury-containing bulbs and tubes daily for free through LightRecycle (**lightrecycle.org**). **LEDs, halogen and incandescents are not recyclable in your cart but can go in the garbage.**

Options for paint recycling

Latex and oil-based paint can be recycled through a statewide program. Visit **paintcare.org/WA** for details and limits, and to find locations near you.

Electronics

Computers, monitors, TVs + tablets

Recycle computers, tablets, e-readers, monitors, TVs, and laptops for free by dropping off at an E-Cycle Washington location (**ecyclewa.org**).
