

# RECYCLING

Place clean, dry and loose items (as listed below) in your **blue** recycling container. Collected every week.

## Metal

### ALUMINUM & TIN CANS

Place lids in can, crimp the can shut. Labels ok.

### SCRAP METAL

Small, non-working metal appliances, pots, tools, etc. Limit 2' x 2' x 2', 35lbs; no wood, plastic, or rubber attachments; no sharp metal.

## Glass

### BOTTLES & JARS

Only bottles and jars (no other types or shapes). All colors. Labels ok.

## Paper and Cardboard

### CLEAN & DRY

INCLUDES: paperback books, catalogs, magazines, dry food boxes (remove plastic liner), non-foil wrapping paper. Flatten all boxes (do not tie up); Maximum size 3'x3'.

## Plastic

### BOTTLES, JUGS & TUBS

Ignore the numbers, recycle plastics by shape!

## RECYCLING TIPS

**No plastic bags, garbage bags or "recycling" bags allowed.**

**Paper cartons (milk or juice) are not accepted** and should be placed in the garbage.

**Empty and rinse out all food residue.** Labels do not need to be removed.

**Ignore the number on plastics—Look at the SHAPE.**

Recycle plastic only if it is a bottle, jug or tub. No containers that held hazardous material.

**Extra recycling:** If you often generate extra recycle, please

call WM to increase your container to the next size. Recycling needs to be kept in a container and dry.

**Your materials are being recycled!**

All the recyclable items collected will be made into something new.

## Recycling All Stars

**Win a pizza party for your team!**

Has WM contacted you about contamination in your business recycling? WM will recognize 1-2 businesses each year that demonstrate improved recycling by keeping materials clean, dry and loose, and only recycling items accepted in Auburn's program. Winners will receive a pizza party celebration by WM that includes games and prizes for staff.

Never received a contamination notice from WM? Businesses can also qualify by making an online pledge to continue to recycle right at [wmnorthwest.com/auburn](http://wmnorthwest.com/auburn).
