Free Recycling Assistance

WM WANTS TO HELP YOUR COMMUNITY RECYCLE RIGHT

For free educational resources for your residents including recycling fliers, e-blast content and recycling 101 webinars, contact the outreach team at recyclenw@wm.com.

RECYCLING TIPS

No plastic bags, garbage bags
or "recycling" bags allowed.

Paper cartons (milk or juice)
are not accepted and should be
placed in the garbage.

Empty and rinse out all food
residue. Labels do not need to
be removed.

Ignore the number on plastics—
Look at the SHAPE.
Recycle plastic only if it
is a bottle, jug or tub.

Extra recycling: If you often
generate extra recycle, please
call WM to increase your
container to the next size.
Recycling needs to be kept in a
container and dry.

Your materials are being recycled!
All the recyclable items collected
will be made into something new.

Recycling All Stars

Win a pizza party for your community!

Has WM contacted you about
contamination in your multifamily
complex recycling? WM will recognize
1-2 multifamily complexes each year
that demonstrate improved recycling
by keeping materials clean, loose,
and only recycling items accepted in
Auburn's program. Winners will receive
a pizza party celebration by WM that
includes games and prizes for staff.

Never received a contamination notice
from WM? Multifamily complexes
can also qualify by making an online
pledge to continue to recycle right at
wmnorthwest.com/auburn.
