2026 Multifamily
Property Manager
Resource Guide

My WM

Use the My WM App or this guide for tips and resources to improve garbage and recycling at your property. Others have found it easy to achieve success using these resources.

Invite WM's Recycling Outreach staff to property events to provide fun and informative recycling presentations for residents. We're here to help! Contact recyclenw@wm.com for more info.

Scan this code to download the My WM app

Mandatory Recycling

- City Code 19.125.150(7)(h) requires residents to recycle, and properties to offer as much recycling service as garbage service. Request assistance and/or use resources listed in this guide to come into compliance.
- Recycling services are provided by WM at no cost to properties. Multifamily properties may have as much recycling service as their base garbage service.

Illegal Dumping and Theft of Services

- "Illegal dumping" is garbage being placed on the ground instead of a container, regardless of who does it. If reported, Code Compliance will require the property owner to arrange for clean up.
- "Theft of service" is off-site material getting dumped in your garbage container without your permission (stealing your garbage service).
- Do not confront the suspect.
- Report to Police Department: 253-835-2121 federalwaywa.gov/page/file-police-report-online

Contact us for more information on educating residents

Invite Recycling Outreach staff to:

- Distribute reusable tote bags for residents to collect and carry recycling.
- Distribute recycling flyers to residents. Recycling guides are available in Spanish, Korean and Russian.

- Distribute custom letters addressing specific issues such as tips for kids who take out the trash.
- Provide fun and informative recycling presentations at resident meetings and events.

Save Time and Money

Garbage charges vary by size of container and number of pickups.

- Encourage recycling right. By increasing recycling and reducing garbage collection, you can reduce your bill.
- Right size your container and frequency of pickup so material doesn't get left on the ground.
- Garbage and recycling containers must be located together and be no more than 150 feet from any residential building for easy resident access. (As required by FWRC 19.125.150.)
- Consider contracting out garbage enclosure monitoring and maintenance.
- Request slotted lids for recycling containers to reduce contamination.
- Instruct residents to flatten boxes.

Keep Enclosures Clean

Garbage trucks cannot pick up bulky items. WM offers a separate fee-based bulky item pick up service.

Hazardous waste is banned from garbage/recycling containers.

- Right size your container and frequency of pickup to avoid charges for extra set-outs.
- Close container lids to deter pests and keep rainwater from entering your container.

- Request free replacement of broken/damaged WM containers and lids.
- Pick up any litter or debris around containers frequently.

- Remove bulky items and hazardous waste from enclosures.
- Install cameras to monitor enclosures and institute fines to deter illegal dumping.

RECYCLING

Help residents Recycle Right®. Make sure only the items listed below go in the **blue** container.

Mandatory Recycling: The City of Federal Way requires all multifamily properties to recycle. WM wants to help you meet these requirements. Questions? Email us at recyclenw@wm.com or call 253-833-3333.

Metal

ALUMINUM & TIN CANS

Place tin lids in can, crimp shut.

SCRAP METAL

Small, non-working metal appliances, pots, tools, etc. Limit 2' x 2' x 2', 35lbs; no wood, plastic or rubber attachments; no sharp metal.

Glass

JARS & BOTTLES (ALL COLORS ACCEPTED)

Only bottles and jars—no other types or shapes of glass are allowed.

Paper and Cardboard

CLEAN & DRY

Most types of paper and cardboard are accepted, as long as it is clean and dry. Instruct residents to flatten boxes.

Plastic

BOTTLES, JUGS & TUBS

Only recycle these "shapes" of plastic containers—do not worry about the recycling symbol or number.

FREE RECYCLING TOTE BAGS

These totes are great to give to your residents for collecting and carrying to the recycling container.

Contact the WM education team at recyclenw@wm.com to request a delivery.

SLOTTED RECYCLING LIDS

Slotted lids decrease garbage, bagged material and other non-recyclable items from going in the recycling.

The lids lock shut with a notched slot opening.

Contact WM for free slotted lids on your recycling dumpster.

Empty and rinse out all food residue. Labels do not need to be removed.

Remind residents that no plastic "recycling bags" or garbage bags are allowed in the recycling. Residents should empty clean recyclables out of bags and boxes into dumpsters so they can be easily sorted.

The numbers no longer matter.

Recycle plastic only if it is a bottle, jug or tub.

YARD+FOOD WASTE

These go in your **green** yard+food waste cart.

Paper

MUST BE UNCOATED (NOT SHINY OR PLASTIC-LINED)

Food Scraps & Leftovers

ALL FOOD INCLUDING MEAT, CHEESE AND BONES

Yard Waste & Plants

No plastic bags, plant pots, soil, sod, rocks, liquids, shredded paper or pet waste.

Are You Ready?

If your residents are super recyclers who know how to sort properly, contact us for assistance in starting a yard+food collection program.

By signing up for yard+food service you are:

- ✓ Offering a desirable amenity to your residents
- ✓ Potentially saving money on garbage service costs by diverting material away from the landfill

Setting up a Successful Yard+Food Waste Collection Program

- 1 Identify where you can add a yard+food waste cart.** We recommend one 96-gallon yard+food waste cart for every 100 units. Yard+food waste carts should be placed next to the garbage and recycling containers.
- 2 Consider whether your property is ready to begin yard+food waste.** If your property experiences frequently contaminated recycling, it is best to focus on helping your residents recycle right.
- 3 Assess resident interest.** Reach out to residents to determine whether a yard+food waste program is something that would be used at your property.

Recommended Waste Enclosure Layout
Place yard+food waste cart next to garbage and recycling.
Clearly label all waste containers.

- 4 Contact WM at 253-833-3333 to sign up for service.** You can cancel yard+food waste service at any time.
- 5 Educate and motivate residents.** Communicate with residents what can be included in the yard+food waste program through an email, letter, and/or meeting. Consider setting aside time for a kickoff meeting or open house event to answer questions about the new program.
- 6 Orient new residents.** At move-in, explain the yard+food waste program to new residents and provide copies of guides (available at wmnorthwest.com/federalway/apartments).
- 7 Track how the yard+food waste program is going.** Is the yard+food waste cart being used? Keep an eye on what is ending up in the yard+food waste cart and communicate with residents when the wrong materials are being put in.

GARBAGE

Bag these and put them in your **gray** garbage cart. Collected weekly.

Non-Recyclable Plastic

Non-Recyclable Glass / Ceramics

Non-Recyclable Paper

Non-Recyclable Metal

If full, hazardous
waste collection.

GARBAGE TIPS

Double bag pet waste, vacuum dust, sawdust and cold ashes.

DO NOT put liquids, yard waste, hazardous waste, batteries or recycling in the garbage.

Latex and oil-based paint recycling information can be found at paintcare.org.

New options are available for paint drop off in Federal Way. Latex paint that has turned solid may be placed in the garbage.

Dumpster Rental

Order roll-off dumpsters for large cleanups, junk and trash removal, and construction and demolition debris.

Contact us at
253-833-3333
to order.

wmnorthwest.com/federalway | 253-833-3333

5. GARBAGE

6. BULKY ITEM DISPOSAL / HAZARDOUS WASTE

7. OTHER RECYCLING & DISPOSAL OPTIONS

8. MONTHLY GARBAGE & YARD WASTE RATES

BULKY ITEM DISPOSAL

Bulky Item Collection

Bulky item collection is available at a charge.

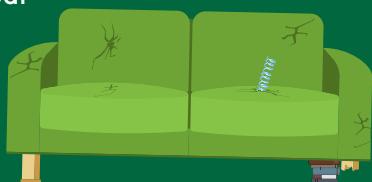

Bulky items include large appliances, sofas, and mattresses. Cubic yard rate available for miscellaneous items.

Call **253-833-3333** to schedule your pick up.

WM's fees are lower than local transfer stations (dumps)—and we come to you, saving the trip.

Check our website for details and rates.

wmnorthwest.com/federalway/comguidelines/gif/comratesheet.pdf

Give it Away

Some household items can be sold or given away.

Encourage residents to post a free ad internally at your complex or online; they will be amazed at what other people might want.

- Buy Nothing Project
- Craigslist
- Facebook Marketplace
- Nextdoor
- OfferUp

Recycle Right®

Ensuring your recycling program is effective and accessible can be a great way to improve your properties.

As a property manager, you are the key to success.

Encourage your residents to recycle and dispose of things properly.

Fine tune your recycling program so your tenants don't just recycle, they Recycle Right®.

HAZARDOUS WASTE

Never dispose of **hazardous waste** in the garbage, recycling, yard+food waste or down the drain.

Federal Way businesses may be eligible for no-fee hazardous waste disposal up to four times a year at Haz Waste Program collection sites.

To learn requirements visit: kingcountyhazwastewa.gov/en/business-disposal or call the Haz Waste Help Line at 206-296-4692.

Haz Waste Drop-Off Options are Improving in Mid-2026!

Visit kingcountyhazwastewa.gov for a full list of locations, hours, accepted items, details and restrictions. Hazardous Waste Hotline: **206-296-4692**

ACCEPTED ITEMS:

Auto Products

Oil-based Paint*, Thinners & Solvents
*Visit paintcare.org for info about recycling paint.

Fuel & Flammables

Cleaners

Batteries & Fluorescents

Weed & Bug Killer

WORDS TO WATCH FOR

CAUTION **DANGER**
WARNING  **POISON**

These four words are on the labels of many products we use in our homes and businesses. These products are considered hazardous.

USE GREENER ALTERNATIVES

Visit kingcountyhazwastewa.gov for green cleaning recipes and other helpful information.

NOT ACCEPTED:

- ✗ TVs
- ✗ Computers*
- ✗ Electronics*
- ✗ Tires
- ✗ Explosives
- ✗ Medicine
- ✗ Garbage
- ✗ Empty Containers
- ✗ Latex Paint**

free disposal options at:

*ecyclewa.org
