## RECYCLING TIPS

### Clean · Empty · Loose

**No plastic bags, garbage bags or “recycling” bags allowed.** Empty clean recyclables out of bags and boxes into the cart so that they can be easily sorted.

**Empty and rinse out all food residue.** Labels do not need to be removed.

### Extra recycling?

**No extra charge.** Place extra recyclables in a bin, cardboard box or paper bag at the curb next to your recycling cart.

### The better you recycle, the lower your bill!

The value of materials recycled is credited as your Recycle Rebate on your WM invoice. This changes annually based on the amount and quality of materials recycled by all of Federal Way. Do your part to recycle right and see the results in your bill!
