

GARBAGE

Please bag all garbage and put it in your garbage cart.

Non-Recyclable Plastic

Non-Recyclable Paper

CFL lights are not garbage!
Requires proper disposal.
Visit lightrecycle.org to find a drop-off site.

Non-Recyclable Glass

Non-Recyclable Metal

Garbage Guidelines

- Please bag all garbage.
- Double bag pet waste, pet litter, packing pellets, vacuum dust, sawdust and cold ashes.

Extra Garbage:

Garbage charges are based on cart size. If your garbage cart lid is open more than 6 inches, there will be a charge for extra garbage.

Bulky items such as mattresses, large appliances and building materials can be picked up by special arrangement for a fee. Contact us for fee information.

KEEP OUT of Your Garbage

- | | | |
|-------------------|---------------------|---------------|
| ✗ Hazardous Waste | ✗ Fluorescent Bulbs | ✗ Computers |
| ✗ Medical Waste | ✗ Fuel Tanks | ✗ Televisions |
| ✗ Syringes | ✗ Liquids | ✗ Batteries |

Batteries are not garbage! Do not throw batteries in the garbage. Take batteries for disposal to a hazardous waste collection facility.

What do I do with...?

Plastic bags

Bag plastic bags together and take them to your local grocery store for recycling, reuse them or put them in the garbage.

Hardcover books

Donate them to a school or charity.

Paint

Paintcare is a new resource for free drop off! Visit paintcare.org/states/washington/ for more information on the program.

If you can't drop off latex paint for recycling, mix in cat litter, shredded paper, or sawdust to solidify. Once dry, bag it and place it in your garbage.

Shredded paper

Use to soak up and harden latex paint in the garbage. In order to recycle shredded paper and documents to shred, take them to a shred event.
