

Inclement Weather Guide

Here is what to expect if weather interrupts service

- If weather permits, we will service your garbage, recycling, and yard waste on the next business day.

- In the event of two successive weather delays, we will coordinate drop off locations with the City for garbage and recyclables.

Credits will not be issued for delayed collection due to inclement weather.

KEEP PLASTIC BAGS OUT OF THE RECYCLING CART.

Place recyclables loose in cart. Bagged recyclables cause problems at the recycling facility.

Have plastic bags to recycle? Many grocery stores accept used plastic bags for recycling. Contact your local store for more information!

Latex Paint

- Please remove carts as soon as possible after collection.

Be bear smart.

THINK OUTSIDE THE CART

REDUCE AND REUSE BEFORE YOU RECYCLE.

Waste prevention is our biggest opportunity to reduce the consumption of natural resources.

PREVENT FOOD WASTE - BUY ONLY WHAT YOU NEED

When grocery shopping, be thoughtful. Make a list and buy only what you need to minimize any food waste. Visit wmnorthwest.com for more food waste reduction tips.

BUY NOTHING

Instead of buying items you will use infrequently, consider borrowing or renting. Borrow from a neighbor or social media site.

SHARE, SWAP OR SELL

Sell items you no longer want and find bargains at consignment shops, garage sales, thrift stores, online exchanges and auctions.

CHOOSE TO REUSE

Use reusable mugs, water bottles, utensils and bags. Store these in your car or at your desk so you will always be prepared.
