Plastic bags

Bag plastic bags together and take them to your local grocery store for recycling, reuse them or put them in the garbage.

Hardcover books

Donate them to a school or charity.

Shredded paper

Use to soak up and harden latex paint in the garbage. In order to recycle shredded paper and documents to shred, take them to a shred event.

Paint

Paintcare is a new resource for free drop off! Visit paintcare.org/states/washington/ for more information on the program.

If you can't drop off latex paint for recycling, mix in cat litter, shredded paper, or sawdust to solidify. Once dry, bag it and place it in your garbage.
